TESTING INFORMATION

Students and potential applicants of the MSN program may need to complete the Miller Analogies Test® (MAT) or the Graduate Record Examination® (GRE) taken within the last five years if their GPA is not 3.0 or higher. The Dishman Department of Nursing will accept the MAT; however, the Business Department requires that all dual enrollment MSN/MBA students complete the Graduate Management Admission Test® (GMAT).

Student may also contact the Lamar University Career and Testing Center for further information and possible study guides
