Pre-Occupational Therapy
Course Requirements

Please note that admission requirements to occupational therapy school vary between schools. Be aware of the courses required by the schools to which you will be applying.

Understand that the pre-occupational therapy core requirements may be different than your chosen major requirements. It is required that you meet with advisors from both your major area and the pre-professional program every semester.

**Additional Considerations:**

* Some Occupational Therapy schools require students to take the GRE prior to applying. Please familiarize yourself with the requirements of the school(s) you plan to apply to.

*Shadowing/observation requirements vary greatly between schools. Make sure you work to get the hours needed and remember that it is suggested that you obtain your experience from more than one occupational therapy setting.
